RECOGNITION OF EXCELLENCE PRESS TEMPLATE

HotelsCombined recognizes Diff Hostel amongst the best hotels in Thailand

HotelsCombined is a hotel price comparison website that was recently announced as **The Best Hotel Booking Site in 2020 by Frommer's**.

HotelsCombined owned by KAYAK, has selected Diff Hostel to receive the official Recognition of Excellence Award. This selection has come from HotelsCombined's extensive surveys using data from millions of guest reviews for a wide range of accommodation within Thailand.

Diff Hostel has consistently produced a high satisfaction rating among guests and travel industry experts.

Diff Hostel now joins an elite group of hotels around the world that have been awarded the HotelsCombined Recognition of Excellence. This exclusive collection of highly-rated accommodations has been chosen using a strict set of criteria such as the quality and consistency of reviews, the absence of recurring or unresolved issues with customers, popularity of the property and of course, the overall resulting score.

"Insert quote here", said Diff Hostel's manager.

"We are thrilled to be working with the best hotels in Thailand. Diff Hostel has proven its place among them with this award and its commitment to providing high-quality services to all guests," said Melinda Balazs, Hotel Awards Program Manager at HotelsCombined.

"With HotelsCombined, 30 million people are finding the best hotel deals available online every month. The HotelsCombined Recognition of Excellence Award makes it even easier for travellers to find the top hotels for customer service and guarantee the best value for their money."
